

## Notes From The Director

*Greetings from NDSCS!*

As we welcome our students back on campus, I find myself doing quite a bit of learning as well! I've been collaborating with colleagues and just returned from the ND State Legislative Session in Bismarck. What an interesting time and learning curve.

It's an exciting time of the year for us in many ways, especially as we gain momentum for our largest annual fundraiser taking place on April 14, the DREAMS Auction.

I'm not sure if you've heard, but DREAMS is back at the Clair T. Blikre Activities Center on campus and we are welcoming as many of you as we can hold! It's a good feeling to be "home". As you know, preparing for this event takes a team, including you, our supporters! Without your time, talent, and gifts, this night of giving would not be possible. We hope you continue to inspire us with your generous giving and donations.

Progress on the new Career Innovation Center continues. While winter is a slower time for construction, there is still activity. You can see progress by going to this online photo album: [CIC Album](#)

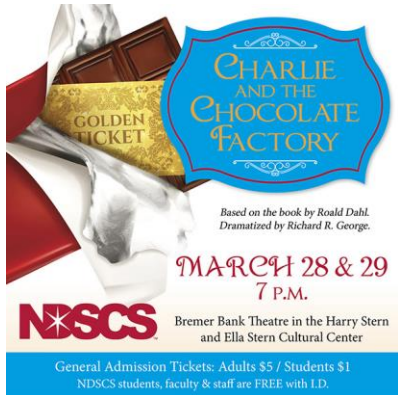

Please check out the rest of our newsletter and join us at our activities – we have a lot coming up and we love to have our alumni back on campus. There are also opportunities for you to be an employee of NDSCS and a link below to browse the campus job openings.

Finally, I would like to thank you personally – I'm especially grateful for all of those who've reached out and checked in on me with my health struggles. I'm happy to report that I'm doing well and it's only up from here! Thank you for your ongoing support of the NDSCS Alumni Foundation, whether it is a financial contribution, giving of your time and talents, calling to catch up, attending events, or promoting NDSCS by sharing your stories, we appreciate all you do.

*Together we make a difference!*

### 100-Year Electrical Technology Reunion

The Electrical Technology 100th Anniversary celebration will be **May 12-13, 2023**. The NDSCS Electrical Department will be hosting a reunion for not only electrical technology graduates but any program housed in **Barnard Hall** over the last 100 years.

## GIVING OPPORTUNITIES

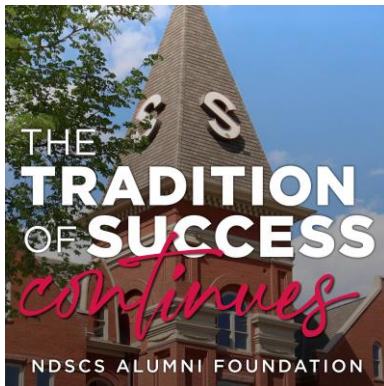

### February 9, 2023 | 24-Hour Online Event

Each year, the NDSCS Foundation participates in Giving Hearts Day. This collaborative non-profit day of giving is facilitated by Dakota Medical Foundation, providing matching and promotional support. Our NDSCS Ambassadors are leading this campaign and all funds raised will go to our nursing department project to add an additional spring RN program. To donate to our nursing program on this special day, click the link below. A matching gift of \$8,000 has been secured.
