

THE
TRADITION
OF SUCCESS
continues

NDSCS ALUMNI FOUNDATION

**ANNUAL
REPORT**

SEPTEMBER 2021

CUMULATIVE GIVING REPORT

NDSCS has a rich history full of wonderful success stories related to students, alumni, faculty, staff, retirees, friends and donors. We appreciate the generosity and dedication of our NDSCS Alumni Foundation donors. We are stronger together. Henry Ford said, "Coming together is the beginning, staying together is progress, and working together is success." In this report, recognition is given to individuals, groups, foundations, organizations, and businesses. Thanks for continuing to be a part of the Tradition of Success!

NORTH DAKOTA CHALLENGE GRANT OPPORTUNITY

The North Dakota Challenge Grant Program allows donations to the NDSCS Foundation to be matched by the state of North Dakota by 50%. Your gift can be up front or pledged over a period of five years and still qualify for the matching funds. Many donors have used this opportunity to start scholarships at NDSCS. For example, if you pledged \$25,000 over 5 years, the Foundation would receive the \$12,500 right away as the state's match and the scholarship, when the pledges are fulfilled, would be \$37,500. We are grateful to all the donors who have so passionately given to the NDSCS Foundation and utilized this opportunity.

We would be happy to discuss some options for you to make the impact you desire.

Kim Nelson

Kim.J.Nelson@ndscs.edu
701.671.2187

On July 7, the NDSCS Alumni Foundation along with the many donors, partners, alumni, and friends celebrated the groundbreaking of the Career Workforce Academy Project. This new facility (opening Fall 2023) will be located at 4230 64th Ave. S. in Fargo, N.D. and will be named the Career Innovation Center (CIC). The NDSCS Alumni Foundation will own the CIC and lease it back to the College. Within the CIC, NDSCS will provide training and academic programming alongside four local school districts: Fargo Public Schools, West Fargo Public Schools, Central Cass School District and Northern Cass School District. This education and training center will provide a central location to facilitate Career Awareness events for elementary students, Career Identification and Preparation (including early-entry College classes) activities for middle and high school students, and training/learning spaces for NDSCS students and trainees.

HISTORY

NDSCS has had an academic and workforce training presence in Fargo since 1998. The 'Skills and Technology Training Center', now NDSCS-Fargo, was developed to meet the emerging workforce training needs for the greater Fargo region. The 56,433 sq. ft. building (which was formally a K-Mart) is currently owned by the NDSCS Alumni Foundation and is leased back to the College - this location will be sold after the Career Innovation Center opens. NDSCS-Fargo has evolved through the years, responding to business and industry needs and learner requests through providing workforce/customized training, offering six academic programs, new American programming, and the collaborative Pathway program with NDSU. Additionally, since opening, NDSCS-Fargo has served various secondary schools through providing dual-credit and high school career and technical education classes.

THE CONCEPT

The concept behind the CIC has been a proven model in various communities; these learning facilities/concepts have proven to be effective with introducing students to various career paths - by matching their skill sets and interests to high-demand careers. By including incumbent workers, customized training, and new Americans - the CIC is projected to be able to help meet the critical workforce shortage in North Dakota and beyond. Through enhancing career awareness in high-demand fields, it is also slated to grow enrollment at both NDSCS locations.

CIC SUPPORT

To date, the NDSCS Alumni Foundation has raised just over \$11 million dollars from generous business, industry, and personal donations. Additionally, more than \$9 million was obtained from public entities (e.g. federal grants, local governments).

BLIKRE SOCIETY

Named to honor the past leadership of President Clair T. Blikre, the Blikre Society recognizes donors who have donated or pledged a gift of \$10,000 or more and/or have included NDSCS in a planned gift.

NDSCS INVESTMENT PORTFOLIO SHOWS CONTINUED GROWTH

NDSCS continues to grow its investment portfolio for increased payouts to student scholarships and program enhancements.

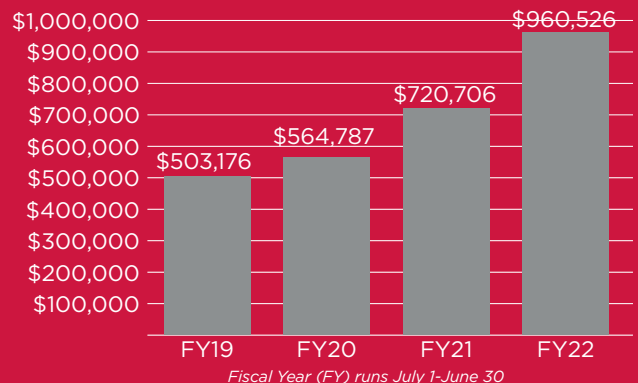

SCHOLARSHIPS & DEPARTMENT AWARDS

The NDSCS Foundation is proud of the number of academically and technically talented students who enter the College each year. We are proud that many of the students who apply receive some sort of scholarship annually.
