## ***Greetings from NDSCS President, Dr. John Richman and Alumni/Foundation Director, Kim Nelson***

Welcome and thank you for celebrating the 26th DREAMS Auction with us. Whether you are in person or bidding from home, we appreciate the support for our biggest event of the year.

DREAMS began in 1995 with a vision to involve the community in an event that would support NDSCS students. By raising funds for scholarships, program needs, and Alumni events, DREAMS has done just that. The late Woody Caspers, former Director of the Alumni Foundation, and devout supporter of NDSCS was the champion behind its beginning. Twenty-six years later, we continue to hold this event with the same vision. Money raised will offer opportunities for students and allows us to continue the mission of the Alumni Foundation in supporting NDSCS. We are always in awe of the support of the community, alumni, and friends of the College.

While attending DREAMS, you will get to see how our students are preparing for their future. Our culinary students have been given first-hand experience in preparing for and carrying out a large event. Our student volunteers are hosting, assisting, and learning top notch customer service and relationship skills. This event is a wonderful learning opportunity, as well as a memorable and fun evening for our guests.

We will be utilizing an online bidding process for tonight's Silent and Premier Auction items. The student volunteers are available to assist you. All items on the auction are listed in this catalog with the silent auction items on the online bidding app.

Thank you for your connection to NDSCS and have a wonderful evening!

- Dr. Richman and Kim Nelson

John & Marcia Richman  
Ph.D. President
